Heidelberg Materials strengthens footprint in Italy by acquiring Cava Nord S.r.l.

Heidelberg Materials has acquired Cava Nord S.r.l., a family-owned company based in Paderno Dugnano, north of Milan in Italy. Founded in 1962, Cava Nord specialises in the supply of aggregates and ready-mixed concrete as well as recycling construction and demolition waste. The transaction includes a quarry, two aggregates processing facilities, an aggregates recycling facility, and two ready-mixed concrete plants.

The acquisition is part of Heidelberg Materials' ongoing portfolio optimisation. It strengthens the company's vertical market integration in an attractive core market and enhances its supply of sustainable solutions.

Both parties have agreed not to disclose the financial terms of the transaction.

About Heidelberg Materials

Heidelberg Materials is one of the world's largest integrated manufacturers of building materials and solutions with leading market positions in cement, aggregates, and ready-mixed concrete. We are represented in around 50 countries with around 51,000 employees at almost 3,000 locations. At the centre of our actions lies the responsibility for the environment. As the front runner on the path to carbon neutrality and circular economy in the building materials industry, we are working on sustainable building materials and solutions for the future. We enable new opportunities for our customers through digitalisation.
